Michelle was bored of her dull, mousy brown hair and wanted to spice it up, while adding shine, softness, volume and manageability. AGEbeautiful to the rescue!

Michelle naturally has medium brown hair with 25% gray, with a higher population of coarse, resistant grays in her temple area. AGEbeautiful Anti-Aging Permanent Liqui-Crème color will ensure 100% gray coverage and fight all 5 signs of aging hair.

**STEP 1**

Begin application of Formula 1 at the root area only.

**STEP 2**

Taking small sections work your way from the front of the head to the back.

**STEP 3**

Once the roots are completely saturated, mix together Formula 2 in another applicator bottle or bowl with brush.

**STEP 4**

Apply Formula 2 to the remaining mid lengths and ends of the hair.

**STEP 5**

Once complete allow to process for 45 minutes.

**STEP 6**

Rinse until the water runs clear, then shampoo and condition.
