
SHEER PLUM TECHNIQUE

BASE FORMULA:

- 2oz. AGEbeautiful Tint Shine Sheer Plum Demi Permanent Haircolor
- 2oz. AGEbeautiful Demi Permanent Developer

Michelle's remarkable plum shade had lost its luster. To refresh her tresses, she needed not only a shot of intense shine, but also a touch of sheer color to rev up the vibrance.

Using NEW AGEbeautiful Tint Shine, Michelle was able to quickly boost brilliance and restore a subtle plum hue, all at once.

STEP 1

Using an applicator bottle or a bowl and brush, mix equal parts of Tint Shine Sheer Plum and developer, and apply all over hair.

STEP 2

Leave on for ONLY 10 minutes.

STEP 3

Rinse, shampoo and condition.

You're done! How easy was that?

Be sure to send us pictures of your work—we love to share them! #AGEbeautiful
