- 2 oz. AGEbeautiful Demi Permanent Developer

Taxia's color had started to feel tired and dull. How to give it new life? AGEbeautiful Demi Permanent Color to the rescue!

When dealing with previously colored and highlighted hair that has faded, always reach for a gentle, non-ammonia color like AGEbeautiful Demi Permanent. These colors will refresh and restore tone without damaging the hair and provide long-lasting results.

STEP 1

Apply Formula 1 to the new regrowth area only.

STEP 2

Allow this to process for 30 minutes.

STEP 3

For the last 15 minutes of processing, apply Formula 2 to the remaining mid-lengths and ends of the hair.

STEP 4

Rinse the hair until the water runs clear, then shampoo and deep condition using AGEbeautiful Intense Strengthening Treatment.
