This remarkable red is fortified with our patented, award-winning conditioning technology and ingredients that address all 5 signs of aging hair. So not only will you have a radiant, fiery hue, but you'll also have hair with more volume, shine, moisture and manageability.

STEP 1

Apply Formula 1 to the root area only.

STEP 2

Apply Formula 2 to the remainder of your hair (mid-lengths and ends).

STEP 3

Allow color to process for 45 minutes.

STEP 4

Rinse, shampoo and condition.

In order to achieve this radiant, balanced red from root to tip, we recommend treating the hair with two different formulas. This second step will ensure you have a red that is vibrant all over!
