**FORMULA 3**

- 1 oz. AGEbeautiful 7RC Permanent Haircolor
- 1 oz. AGEbeautiful 20-Volume Developer

We gave Lisa's never-been-colored hair a warm, rich raspberry shade. And the best part of her makeover was that she got to witness not only the color transformation, but also the powerful revitalizing effects of AGEbeautiful Anti-Aging Haircolor. Thanks to its patented conditioning technology, Lisa's hair became softer, more manageable and shinier with massive volume. Now that's a remarkable result!

HERE'S **MIKE PETRIZZI'S** AGEbeautiful FORMULATION.

**STEP 1**

Apply Formula 1 to the root area only.

**STEP 2**

Apply Formula 2 to the mid-lengths of the hair, avoiding bringing down to the last two inches of the hair shaft.

**STEP 3**

Apply Formula 3 to the ends of the hair.

**STEP 4**

Allow to process for 45 minutes.

**STEP 5**

Rinse until the water runs completely clear, shampoo and condition.
