
VINTAGE GLAM PERM TECHNIQUE

Check out the steps below to learn how to create this old-school-with-an-edge look on your clients*.

STEP 1 - PREP

- Shampoo hair with a Quantum clarifying shampoo and towel dry

STEP 2 - PARTING

- Part hair in triangular shaped pattern at front of head

Tip: be sure to zig zag additional partings to ensure blend at scalp area.

STEP 3 - WRAPPINGS

- Starting with the front, place one bender wrapped to the right

Tip: Wrap can be done with all benders, aluminum foil or alternating benders and aluminum foil.

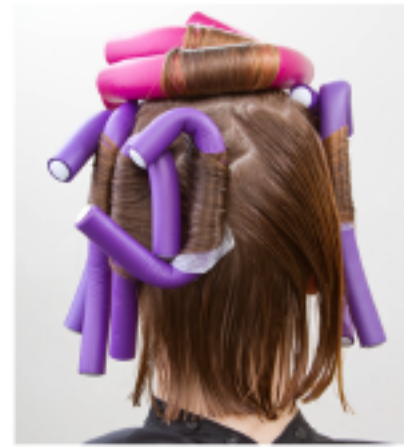

STEP 3 – WRAPPINGS

- Place bender directly behind 1st bender moving towards back of head (One or 2 additional benders usually needed.)

STEP 3 – WRAPPINGS

- Divide side into 2 vertical sections
- 1st section is wrapped toward the face
- 2nd section is wrapped away from the face
- Repeat on opposite side

STEP 3 – WRAPPINGS

- Divide back section in half
- Further divide each of those sections in half
- Place 1 bender on right side behind ear, towards face
- Place 2nd bender away from face
- Repeat on opposite side

STEP 3 – WRAPPINGS

- Wrap nape area down

STEP 4 – PROCESSING

- Complete texture service according to Quantum® 5 Classic Volume or Extra Volume directions

*Tip: Quantum 5 Extra Volume will give fine, thin hair more volume.

STEP 5 – STYLE AS DESIRED

- To get final look, air dry or style with hot rollers or curling iron
