

BEACH WAVES PERM TECHNIQUE

Create beautiful right-off-the-beach WAVES!

STEP 1 - PREP

- Shampoo hair with a Quantum clarifying shampoo and towel dry

STEP 2 - PARTING

- Starting at the crown, part hair into star pattern dividing into 8 equal sized triangle sections

STEP 3 - WRAPPINGS

- Starting at the front half of head, using bender tools, wrap front section vertically at 45 degrees directing it towards the back of the head

STEP 3 - WRAPPINGS

- On the next section behind the first, working towards the back of the head, wrap vertically at 45 degrees, directing towards face so that two sections are wrapped in opposite directions

STEP 3 - WRAPPINGS

- Continue oppositional directions of each section until you reach the back half of nape

STEP 4 - PROCESSING

- Complete texture service according to texture efx directions

STEP 5 - STYLE AS DESIRED
