

— CURLS ON THE LOOSE PERM TECHNIQUE —

Wave goodbye to old-fashioned-looking perms—and the damage that comes with them—with texture efx, a patented, thio-free, cysteamine perm formula cont que odor-neutralizing system. Using our technique, you can say hello to fun, fresh, sexy texture!

STEP 1 - PREP

- Shampoo hair with Quantum clarifying shampoo and towel dry

STEP 2 - PARTING

- Direct hair from left to right in a curve

STEP 2 - PARTING

- Divide into 3 sections from one point at center of nose using zig zag partings

STEP 3 - WRAPPINGS

- Place 3 rollers on top front of head
- 1st roller is on base to the right (rolled down)
- 2nd roller to the left (rolled up)
- 3rd roller to right (rolled down)

STEP 3 - WRAPPINGS*

- Divide sides into 3 sections horizontally using zig zag partings
- Top roller is rolled down
- Middle roller (small roller) is rolled up
- Bottom roller is rolled down

STEP 3 - WRAPPINGS*

- Complete top, back and nape sections using alternating direction and roller size

STEP 4 – PROCESSING

- Complete texture service according to texture efx directions

STEP 5 – STYLE AS DESIRED

- To get final look, air dry or style with hot rollers or curling iron

HOW TO USE ROLLERS SHOWN IN IMAGES

- Wrap hair around roller

HOW TO USE ROLLERS SHOWN IN IMAGES

- Secure by using a plastic clip or by inserting perm rod inside roller, then secure rod
